Complaints

We are committed to providing the best possible service to stakeholders for the benefit of Cornwall and Isles of Scilly. However, if we get it wrong, we would like to know about it and we will try our best to put things right as quickly as possible. We endeavour to deal with complaints promptly and fairly and we will try to resolve any mistake or misunderstanding as soon as possible. If you are not happy with any aspect of the activities of CIoS LEP and wish to complain, we have developed the complaints procedure outlined below.

What is a complaint?

An expression of dissatisfaction, however made, by you as a customer or a group of customers about the CIOs LEP's action or lack of action or about the standard of service.

What should I do if I want to make a complaint to the CIOs LEP?

Stage one:

Write to us at the contact details listed above explaining with 'Complaint' stated clearly as the subject of your contact and then detailing the basis of your complaint. We can usually resolve mistakes and misunderstandings quickly and informally at this stage. We will acknowledge receipt of your complaint and aim to respond within 10 working days. If we are unable to respond within this timeframe, we will contact you to inform you of a date by which you can expect a response, explaining the reason for any delay.

Stage two:

If you are not satisfied with the response provided at stage one, you can escalate your complaint in writing, (by email or letter) to the Chief Executive of CIOs LEP.

You should include details of which parts of the response at stage one you are not happy with. The Chief Executive will investigate your complaint and aim to respond to you within 20 working days. If the investigation takes longer than this, we will contact you to inform you of a date by which you can expect a response, explaining the reason for any delay.

Stage three:

If you are still unhappy following our final response you can then put your complaint to the Local Enterprise Partnership Board. At this stage our response and outcome will be final.

Does CIOs LEP deal with all complaints in this way?

The above process covers the general complaints procedure for CIOs LEP. Complaints or enquiries in relation to CIOs LEP's accountable body (Cornwall Council) will need to follow standard local authority procedures.
